

# Laud Tetteh

Full Stack Web Developer w/8 years experience

Seattle, WA  
+1-206-414-9453

hello@laudtetteh.io  
www.laudtetteh.io

## CAREER INTERESTS

Contribute to making data (and the internet) the driving force for everything that makes life better for people.

## EXCITED ABOUT

- Learning new technologies
- A fun work environment
- Working with people smarter than me
- Performance optimization, troubleshooting and debugging
- Helping my community & making a difference

## CLIENT MANGEMENT

Entire 6-year career spent in a client facing role. Managing expectations, translating requirements, educating, invoicing, and proposal writing.
